Johnsons join RE/MAX

RE/MAX Thousand Lakes is pleased to announce the addition of Kathryn & William Johnson to the Thousand Lake team of professional Realtors.

Kathryn, a Texas transplant, and William, a Grand Rapids native, love the Northwoods and have enjoyed serving the Itasca County area for many years as multi-million dollar producers. Their knowledge and appreciation of the area whether it's waterfront, acreage or residential give them a genuine ability to service all clients. They are full-time Realtors ready to service all real estate needs.

William & Kathryn Johnson

Morgan certified

Brittany L. Morgan, BAS recently became a Certified Health Education Specialist when she successfully passed an examination offered by the National Commission for Health Education Credentialing, Inc. Since 1989 approximately 15,000 individuals have been certified.

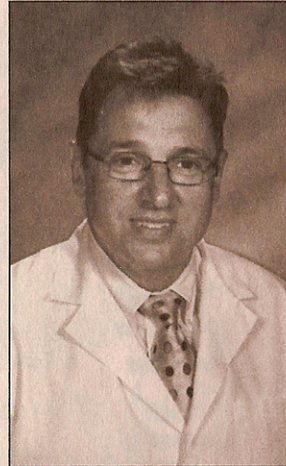

The CHES designation is an indication of professional competence in health education. Morgan is the Health Career Specialist at the Northeast Minnesota Area Health Education Center (AHEC) located in Hibbing. The Northeast Minnesota AHEC promotes rural health education opportunities and addresses health care workforce challenges unique to the region.

Brittany Morgan

Miskovich honored

The Northeastern District Dental Society is pleased to announce Dr. Mike Miskovich of Grand Rapids as its 2007 Midwinter Guest of Honor recipient. The award is given to honor members of the district who have served organized dentistry in an exemplary fashion as officers in state, local and national components of the American Dental Association, have been affiliated with other dental organizations, and have also been active in their local communities. The Northeastern District Dental Society is a component of the Minnesota and American Dental Associations.
